I hope each of you are in the midst of celebrating a wonderful Christmas Holiday culminating in a Happy and Blessed New Year. I want to thank each of you for all of the cards and expressions of love and kindness you have bestowed on me and my family this Christmas Season. So many worked so hard to make the Christmas Season at our Church a special time of year. The Children's Christmas program, directed by Jena Jacobs and co-directed by Kathy Bailey and Gina Watson did another outstanding job. Our Worship Team Leaders, Kathy Bailey and Deb & Dan Agne organized another fantastic experience of Worship this Christmas Season. Joyce Gilliland, along with Deb Agne, planned a very beautiful and meaningful Christmas Eve Service. The Praise Group, the Classic Choir, led by our award winning director, Roger Burleigh, the Bell Choir, led by Donna Church, and the Youth Music Team, directed by Kathy Bailey all deserve special recognition for bringing us the music of the Christmas Season sung and played so beautifully. Our 9:30 a.m. Music Leader, Matt Grile, and Guitarist, Brian Ouellette also did a magnificent job planning Christmas Music for the 9:30 a.m. Church Service. Joyce Gilliland and Val Petersen and Dolores Pulver brought us great Christmas music on the Organ & Piano.

I am also grateful to those in our Church who led in making Christmas better for families in need throughout our community. Char Forbes and Brenda Powers organized our Church to help many families in our community with Christmas Baskets, presents, and help for the holidays. Our Church can be proud that through the efforts of Char and Brenda, we took the love of Jesus out to others this Christmas Season. We have a wonderful Church Family. Thanks to all of you for working together this holiday season to proclaim and demonstrate the love of Jesus, who is the reason for the Christmas Season.

Pastor Joe: I hope all is going well with you and the church family. We wish you all a Merry Christmas! The Finch family, Dylon, Dawn, David, Sophia & Gabe

Dear Pastor Joe: Jay and I would like to thank you for your help with Thanksgiving. We are so proud of all the volunteers who help every year. We give a BIG THANK YOU for each and everyone!! God Bless all of you. Jay & Iris Spencer

Dear June: Thank you so much for the baby blanket you gave us at MacKenna's baptism. It's beautiful and very thoughtful. Thank you, Kevin, Jeanne and MacKenna Lewis

Dear Church Family: Thanks for making us feel so loved! Thanks for everything! The T. Bird was good. Sue Rozell and girls.

To Iris and all of the wonderful people that worked on the luncheon for the Jerry Fish memorial. Thank you so very much. You have no idea how much you are appreciated and loved. Thank you again and God Bless all of you. With Love and appreciation, Marv & Myrna Jacobsen.

Thank you for all of your help – we could not have done mom's party without all of your help. God truly blessed us with the gift of you. Thank you! Mark & Marilyn Abernathy (Verla's kids)

Dear Pastor Joe: We would like to let you know how wonderful last weeks church service was. From the beautiful music to the little kids getting involved – to the lights of the Christmas season. It was truly the most beautiful Christmas season service we have ever been to.

Thanks to all who helped in that event. Marv & Laurie Klooster

Dear Pastor Joe and church family: I did not want to be remiss in sending out a huge THANK YOU to my church family for the prayers, cards and support that I have received this past year as I have been working through my cancer health issues. It has meant more to me than I can express. My health continues to improve.

Thank you Pastor Joe for your weekly calls, Facebook notes, and praying with me before my surgeries as that has given me added peace. Thank you for all you do for our church family each day and may God continue to give you strength and wisdom. You are in my prayers daily.

Surely our church has become "A Place Where God's Love is Lived" in no small part due to the example of so many and the leadership of a loving Pastor.

Love in Christ, Nyla Merrill

*"The Lord is my light and my salvation; whom shall I fear? The Lord is the strength of my life; of whom should I be afraid?"
Psalm 27:1*

Dear Pastor Joe: We appreciate the many things you do to reach people for Jesus. We feel so "at home" in the Otsego church. It is so friendly. You have had much to do for this.

With our love and God's blessings, Jim & Eleanor Tubergen

From Your Parish Nurses

January is National Thyroid Awareness Month. This information about the thyroid gland and more can be found at <http://www.thyroidawarenessmonth.com>.

The thyroid is a small gland, shaped like a butterfly or bowtie, located in the lower part of your neck, in front of your windpipe. Like other glands, the thyroid secretes hormones. Thyroid hormones control your metabolism -- the process by which oxygen and calories are converted to energy for use by your cells and organs.

The thyroid requires iodine -- usually ingested through the diet -- to produce thyroid hormone. In the U.S., use of iodized salt helps reduce iodine deficiency, but as many as 20% of Americans are still iodine-deficient. A woman in the U.S. faces as high as a one in five chance of developing a thyroid problem during her lifetime, and generally, women are seven to eight times more likely than men to develop thyroid conditions. Besides iodine deficiency and being a woman, there are a number of risk factors for thyroid disease. These include genetics and heredity, personal or family history of endocrine or autoimmune disease, infection, exposure to goitrogenic foods, cigarette smoking, pregnancy, certain drugs, particular chemical exposures, radiation exposure, and many other factors.

The thyroid frequently is a common target of disease or dysfunction. It's estimated that more than 200 million people worldwide have thyroid disease, and some experts estimate that anywhere from 30 to 59 million Americans have thyroid disease.

The most common health issues affecting the thyroid include:

- Hypothyroidism -- the condition whereby the thyroid is not producing enough -- or any -- thyroid hormone..
- Hyperthyroidism -- the condition whereby the thyroid is producing too much thyroid hormone
- Autoimmune Thyroid Disease -- Hashimoto's Disease is an autoimmune disease that typically causes hypothyroidism. Graves' Disease typically causes hyperthyroidism.
- Goiter -- enlargement of the thyroid
- Nodules -- lumps or masses in the thyroid, benign
- Thyroid cancer -- cancerous nodules or tissue in the thyroid

Some of the key signs and symptoms of thyroid disease include...

Mission Message

What an amazing 2011 Christmas Mission season!

We sent 44 Christmas Shoeboxes to bring the joy of Christmas to children who may not otherwise experience Jesus or the reason for the season. Thank you so very much for the continued support of this wonderful ministry.

We sent care packages to Any Soldier to support those who defend our nation. Thank you for thinking beyond our own corner of the world.

Christmas Baskets - where to begin! The money donated through the hunger banks supported this project in a BIG way - thank you, thank you, thank you! We had plenty of sheet sets for the family gifts - thank you, thank you, thank you! As always, our church family was VERY generous in taking and buying gifts for the angels on the angel tree, and promptly bringing them to the church for delivery - thank you, thank you, thank you! The Middle School Youth got us organized for basket assembly - thank you, thank you, thank you! We had plentiful, energetic volunteers for going to the high school to pick up canned goods, for going to the potato farm, for working at the community effort at the Baptist Church then hauling gifts, etc. from there to our church, for donating, sorting and counting food, for wrapping, for assembling the baskets and then for delivering - thank you, thank you, thank you! As in the past several years, we had one couple who made a sizeable contribution for meat certificates (you know who you are) - many, many thanks. There are not words to express the immense gratitude for all the countless hours devoted to every aspect of this undertaking! We are so blessed to be part of a church family that shares Jesus' love so eloquently! May your lives be richly blessed!

The Mission Team

Please note: The potato bar fundraiser will return in January to start preparing for the 2012 Christmas Basket effort! (Thank you Carol Edgington!)

Budget Update

I want to thank each of the people of the Otsego United Methodist Church for your faithful giving to God in 2011. I especially thank those who submitted Giving Commitment Sheets for 2012. The committed giving to God by the people of the Otsego United Methodist Church allows our Church and Church Leadership to accomplish God's Work in amazing ways. In February's Newsletter, we plan to offer a summary of how our Church has budgeted to spend its money in 2012, so as to accomplish God's Work. Thanks again for your faithfulness to God in your giving to God through the Otsego United Methodist Church.

Love IN Christ, Pastor Joe Shaler, Cyndi Trobeck, Finance Team Chair
